

SIDE STRETCH OVER SWISS BALL

7

Purpose: Releases lateral body tightness, helps level both shoulders and hips.

Benefit: Improves shoulder and hip rotation flexibility, improve ability to achieve correct spine angle at address.

Instruction: Side lay over the ball, rest the bottom knee and arm on the floor to help balance. Reach the top leg and arm as straight as possible until a comfortable stretch is felt in the top side of the body. Relax neck and allow head to comfortably fall toward ground.

Quantity: Hold _____ _____ reps, side(s) _____

Release
